

6 Ways to Start Helping & "Helping Hand" Wish Lists

1. Download the REAL Change Project

This project will help you understand how a little goes a long way in helping feed the homeless and needy. Use the project to help teach children how to care for the poor.

2. Sign up for eScrip

Redwood Gospel Mission will receive a percentage of your purchases from hundreds of stores. When you sign up, enter Group # 139597217 or call Susan at 707-578-1830 x-17

3. Sign up online for our E-newsletter

Sign up for the latest news about your time, talents, and treasures at work to reach the poor and needy. Go to www.srmission.org and click on Education to see the signup.

4. Download and use REAL Change Certificates

Whether you use the "Brown Bag Project" or just hand-out these certificates, you can give a homeless person hope for REAL change. See Projects on the Serve webpage.

5. Send an Honor or Memorial Card to those you love

Instead of an expensive card that they keep for a short while, give a gift of hope in your loved one's name. We will send a nice card telling them of your generous gift.

6. Show your Care via E-Giving

Setup an automatic payment, monthly or quarterly, that will be used to help the poor and needy via your credit card or EFT. We will send you an e-receipt and/or annual statement. See the Give webpage.
